PET MASSAGE IS NOT, NOR IS IT INTENDED TO BE A SUBSTITUTE
FOR TRADITIONAL VETERINARY CARE.

It is a complementary form of healthcare. The pet guardian should regularly consult a veterinarian in matters relating to his or hers dog's health and especially in regards to any symptoms, which may require diagnosis or medical attention. If you have any questions regarding the efficacy of any of the techniques provided, please consult your veterinarian or qualified Pet Massage practitioner.

I have read and understand this disclaimer.
